

William Harris

3214 West Jewell Road Apartment 6, Fayetteville, AR 72701
(479) 200-9681, willharris93@gmail.com

Objective

- {Intern or Full-time} position in software development (Fill in later)

Education

- B.S., Computer Science - Minor, Mathematics, University of Arkansas, December 2019.

Work experience

- Briefly worked with Feed Fayetteville, 2011-2012. Designed several maps which represented “food deserts” around Arkansas in ArcGIS.
- Six years IT Support Technician, Fayetteville Public Library, 2013-2019. Hardware, software install and troubleshooting. Network install and management. Frequent audiovisual equipment install and usage, for things like concerts and livestreams.

Additional experience/Technical Skills

- C++, C#, Java, Javascript, HTML, XML, and SQL programming experience.
- Dante Certified Lv.2 – Dante Networking knowhow.
- CTS General Certified – AV & IT knowhow.
- Experienced with the basics of PC, Mac, and Linux operating systems, as well as basic software frequently seen on each; Microsoft Office Suite, Web Browsers, etc.
- Artistic experience and UI design skill. Capable of using tools like Photoshop, Paint.net, and Gimp.
- Technical software skills include: Android studio, Unity, ArcGIS, Visual Studio.
- For fun: I’ve been developing a game in my spare time for the past eight or so years, entirely on my own. Art, sound, coding, unique gameplay, and network features have all been implemented.

Community Service

- Fayetteville Public Library Volunteer, 2006-2012. Worked odd jobs for the library once every week. Activities included cleaning windows, pulling weeds, sweeping, dusting, mopping, and helping prepare for events.
