

Local Choice Food Box CSA

eating local made easy

The Local Choice Food Box is a collaboration of organic and sustainable farms across the Puget Sound area. Starting in June, **our CSA members customize a box of 100% local food**, including fruits, vegetables, eggs, milk, bread, and other local goods, which we deliver to neighborhood and workplace locations every Thursday. Our program is an easy way to eat local, organic, and chemical-free food, grown and created for you by some of Washington's finest farmers and producers.

Not only is ours the largest multiple-farm CSA in Washington, **it's the only program that offers its members total choice** of their weekly items, AND guarantees that every single item is local. (Much of your produce will be sourced from our home farm in Everson, WA.)

We offer two box styles (either you choose or we choose your items); we also offer four box sizes, so you can create a share that's just right for you and your household. Pay in advance for the season, or split your payment into four easy installments.

Local Choice members use their weekly credits toward a variety of items, including produce, eggs, bread, dairy, and canned goods. **Farmer's Choice members**, we'll be picking out your weekly fruits and veggies. **All members can access our Farm Store**, where you can purchase a wide variety of extras to arrive along with your box.
