MAKE A SKYPE GROUP CALL

Have a Skype Account set-up.

Open Skype on your computer.

Step 1: In the Skype Window, select the “+ New” button to start a New Conversation.

A window will open for the New Conversation.

Step 2: Add people to the Conversation by either:

1. Sending a copy of the link by email to the people;

   ![Link](https://join.skype.com/giAea1H57eNb)

   Or

2. Clicking the “Add People” button to the top right.

Step 3: Once people are added, select the Group Call Button to start the conversation. Also, select the video Call button.
