

The Chapman Perelman Foundation host

WATER BODY REMEDIATION INVITATIONAL SUMMIT

March 9th & 10th - East Hampton, NY

Thursday, March 9 – Workshop Day 1

INTRO

- 1:00 – 1:15 Introductions and Opening Statements
Chapman Perelman Foundation
- 1:15 – 1:30 Steven Bellone, Suffolk County Executive
- 1:30 – 1:45 Goals and Objectives of Workshop
Facilitator: Jennifer Dowdell, Biohabitats
- 1:45 – 2:00 Intro to Participatory Modeling, Rebecca Jordan, Rutgers University

CONTEXT

- 2:00 – 2:15 Photo Tour of Georgia Pond Site
Sara Davison, Friends of Georgica Pond Foundation
- 2:15 – 3:15 Ecological Context and Current Research at Georgica Pond
Dr. Chris Gobler, SOMAS, Stony Brook University
- 3:15 – 3:45 Q&A Discussion with Dr. Gobler
- 3:45 – 4:00 Stretch Break

THE BIGGER PICTURE

- 4:00 – 4:30 Lessons from the Chesapeake Bay Program & Implications for Long Island
Nicholas Dipasquale, US EPA/Chesapeake Bay Program
- 4:30 – 4:45 Q&A Discussion with Nicholas Dipasquale
- 4:45 – 5:15 Larger Context for Water Body Remediation Innovation
Michael Ogden, Natural Systems International
- 5:15 – 5:30 Q&A with Michael Ogden
- 5:30 – 5:45 Wrap-Up and Preparation for Day 2
Jennifer Dowdell, Biohabitats
- 5:45 – 6:15 Cocktail Reception for Panelists and Community Stakeholders

The Chapman Perelman Foundation host

WATER BODY REMEDIATION INVITATIONAL SUMMIT

March 9th & 10th - East Hampton, NY

Friday, March 10 – Workshop Day 2

INTRO

8:00 – 8:30 Recap of Thursday, agenda for Friday
Jennifer Dowdell, Biohabitats

GEORGICA POND AND LONG ISLAND INTERVENTIONS

8:30 – 9:50 Upland Interventions, including but not limited to clustered or onsite wastewater strategies, treatment technologies and nutrient management
Moderator: Erin English, Biohabitats
PANEL: Chris Gobler, Harold Walker, Michael Ogden, David Garman & John Todd

9:50 – 10:00 Stretch Break

10:00 – 11:20 In-Situ Interventions, including but not limited to removal and transformation of stored organic matter through dredging, aeration, or novel ecological approaches
Moderator: Chris Streb, Biohabitats
PANEL: Hans Paerl, Todd Lane, Bill Mitsch, John Todd & Steve Sands

11:20– 11:30 Stretch Break

11:30 – 12:50 Policy Implications, Cross-jurisdictional Cooperation, & Financing
Moderator: Nicholas Dipasquale, US EPA/Chesapeake Bay Program
PANEL: Ellen Gilinsky, Ray Hinkle, John Erickson & Kevin McDonald

12:50 – 1:35 Lunch

IMPLEMENTATION & PHASING

1:35 – 2:50 Short Term and Long Term Projects (facilitated discussion)

2:50 – 3:05 Stretch Break

3:05 – 4:15 Continue discussion of Short Term and Long Term Projects, Prioritization

4:15 – 4:30 Dr. Rebecca Jordan, rough modeling results

4:30 – 5:00 Wrap up and planning next steps
